The screenshot displays the Bridges Trust home page. At the top, there is a navigation bar with the following items: HOME, NET WORTH (with a dropdown arrow), PORTFOLIO (with a dropdown arrow), TIMELINE, and VAULT. The main content area is divided into two columns. The left column is titled 'Trust' and lists several trusts with their net worth values: Rogers Family Trust (\$1,497,107.51), Rogers Family Trust (\$1,365,935.91), Charles Family Trust (\$267,510.13), and Rogers Irrevocable Trust (\$149,083.21). Below this is an 'Education' section listing Michelle's 529 (\$115,130.21), Rogers 529 (\$41,126.11), and Connor's 529 (\$11,488.44). The right column features a 'NET WORTH' section with an 'Add Symbol' button and a '+'. Below that is a 'Top Holdings' section listing various assets and their percentages: XOM (13%), ROGERS HOME (13%), DFSMX (9%), CHDVX (5%), VDIGX (4%), DFTIX (3%), CVSIX (2%), CASH (2%), SAMBX (2%), and FPACX (2%). A callout box with an arrow points to the 'Top Holdings' section, containing the text 'View your top holdings at a glance'.

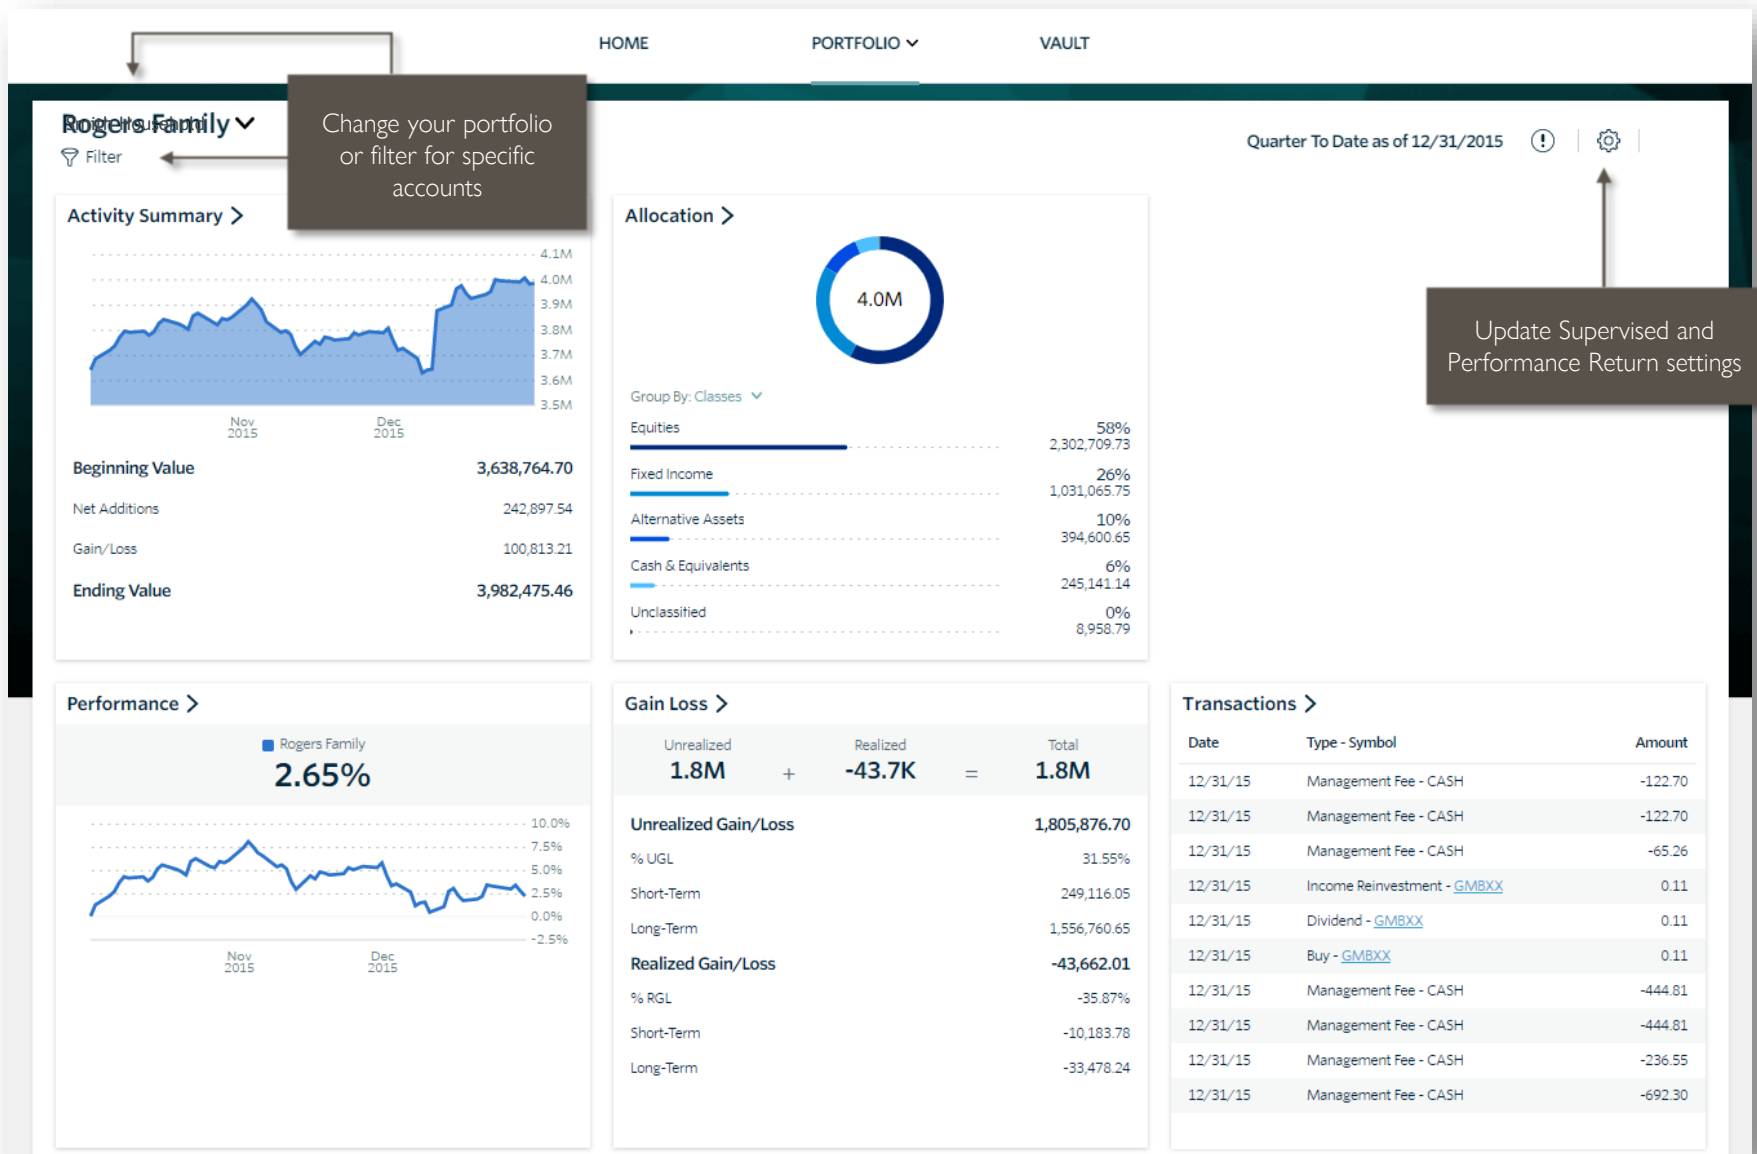

Next: Portfolio - A dynamic and personalized view of your portfolio

The Portfolio dashboard is where you can view additional details about your portfolio. The dashboard gives you a dynamic overview of your portfolio with performance cards highlighting key information of your portfolio.

To get even more detail, you can click on the title of each card. You can also use the drop-down menu to switch between the different cards quickly.

All of this is completely customizable using the filters to select specific date ranges, portfolios, or accounts.

For illustrative intent. Not all accounts will share these exact dashboard features.

Next: The Vault - an improved way storing and updating your important legal and financial documents

Securely sharing and managing documents is key to working with your wealth management team. The Vault page is where you can keep track of your important financial and legal documents.

From here, you can organize your documents into folders, drag-and-drop to upload new documents, and easily move files from one folder to another.

The Vault is also an area where we can share documents with each other through the Shared Folders option.

From the Statements and Reports folders, you have quick access to view investment focused reports created by your financial team.

Securely store documents/files, share items with your financial team, view generated reports and custodial statements
